

Company Quality Policy

McGaffin Contracts recognises that the disciplines of quality and environmental management are integral parts of its management function.

The company views these as a primary responsibility and to be the key to good business in adopting appropriate standards. This Quality Policy calls for continuous improvement in the Practice's quality management activities. Our business will be conducted according to the following principles – we will;

- *Comply with all applicable laws and regulations.*
- *Follow a concept of continuous improvement and make best use of our management resources in all quality matters.*
- *Communicate our quality objectives and our performance against these objectives throughout the Company and to interested parties.*
- *Take due care to ensure that activities are safe for employees, associates and sub-contractors and others who come into contact with our work.*
- *Work closely with our clients and suppliers to establish the highest quality standards.*
- *Adopt a forward-thinking view on future business decisions that many have quality impacts.*
- *Staff trained in the needs and responsibilities of quality management.*

To assist the Company in achieving its quality requirements, it is committed to operating in a manner that sustains registration to the International Quality Standard ISO 9001:2008 and believes that, in operating to this standard, it will meet the requirements of both clients and industry.
